“Sanctify them in the truth; Your word is truth.”

John 17:17

The Bible is God’s word, the complete revelation of His truth. We should live by its words as our spiritual food (Matt. 4:4; John 6:48, 63), and we are blessed if we read, hear, and keep the things written in it (Rev. 1:3). But, to know the word of God, we must first know the words of God; that is, to understand the Scripture, we must first read the Scripture (Eph. 3:3-4; 2 Tim. 2:7; Psalm 119:130). Thus, while it is good at times to read the Bible very slowly, even praying over the verses, at other times we should read through it more quickly to gain an overall familiarity with it.

How to Use this Chart

The chart on the other side is a guide to help you read through the Bible at the pace you desire. The numbers are the *last* chapter in each reading, so the first reading is Genesis 1 to 16, the next, Genesis 17 to 28, etc. Tape this card inside your Bible and mark each reading as you complete it. When you finish the entire Bible, write the date in your Bible.
